PHYSICAL THERAPY, INC.

where patients come first — since 1985

Amber Hill Physical Therapy's Full-Service Pediatric OT/PT Clinic

Quality, Caring Therapists Make the Difference for Kids

Amber Hill pediatric occupational, physical and speech* therapists are experienced in evaluating and treating a variety of diagnoses:

- Autism Spectrum Disorders
- Sensory Processing Disorder
- Fine/Gross Motor Delays
- Congenital and Developmental Delays
- Scoliosis
- Musculoskeletal Abnormalities
- Feeding Problems
- A range of speech-language issues
- And more

*"We love Amber Hill Physical
Therapy and Brigid..."*

*—Mary Ann Mood,
mother of 7-year-old Colin*

*"Tyler has made significant
progress in the last year...with
his fine motor skills, and even his
patience has improved.*

*Brigid has great rapport
with Tyler—they love each
other and we love her!*

*—Lisa Gilbert,
mother of 4-year-old Tyler*

The pediatric program is directed by Brigid Durkin Baker, OTR/L and SIPT Certified. Brigid has 15 years of experience, including extensive pediatric work in schools and other settings. She is certified to administer and interpret the Sensory Integration and PraxisTest, SIPT, and is CPR certified. Brigid is a member of the American Occupational Therapy Association, AOTA, and the School System and Sensory Integration Special Interest Sections.

Amber Hill's staff includes three additional Occupational Therapists, plus an experienced Physical Therapist and a Speech Language Pathologist. Our entire pediatric team (with over 51 years of combined experience) offers a wealth of knowledge and expertise in working with children and families.

*Speech Therapy Services offered through Frederick Pediatric Therapy, LLC at the Frederick Pediatric Clinic.
