

FREDERICK Pediatric THERAPY LLC.

Amber Hill Physical Therapy

Pediatric Speech Therapy Program

We offer comprehensive evaluation and treatment services for children with communication delays and disorders.

The areas that we specialize in include:

- Expressive and Receptive Language
- Articulation
- Social Communication
- Early Language Development and Stimulation
- Autism Spectrum Disorders
- Childhood Apraxia of Speech

Our experienced pediatric speech-language pathologists hold licenses from the Maryland State Board of Audiologists, HADs and Speech-Language Pathologists, as well as Certificates of Clinical Competence from the American Speech-Language-Hearing Association.

"We love Amber Hill Physical Therapy..."

—Mary Ann Mood, mother of 7-year-old Colin
